Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: *I finally found a prescription that relieved the problems that I experienced since I had surgery. It would be a shame if you prevented myself and others from obtaining the medication that we need for our problems and not give us the choice for our physicians from prescribing it for us.*
